Your Giving Making a Difference

All these facts and figures have real people and real stories behind them. Real lives touched and changed by God. And we are so thankful that the ministries of The Bridge Church are made possible by God and your time, talents, prayer and financial support.

Below you can see our sources of income and expense areas, for the past year. Through your generosity, we seek to fund our dedicated ministry staff, local ministry activities, global mission work, costs of keeping our properties functional and welcoming for our community as well as day to day running costs.

Our desire and prayer is that we can continue to fund the growth we are experiencing in all these areas and be faithful stewards of God's good provision. We would love you to consider how best you could partner with us in this.
